Dear Mr. Arenburg:

This letter is to confirm that, pursuant to our meeting with you and Vivian Hostetler on January 4th last and subsequently with our Heritage/Planning Committee, the Lower Town West Community Association would like to participate in the proposed King Edward Avenue Task Force which is to be set up in the near future.

We are pleased to be given this opportunity to pursue our common goal of monitoring the future development of the King Edward corridor.

Yours sincerely,

Lin Baxter,
President.
